

Kiosk

Self Check-Out

Elegant

Crafted from natural hardwoods, these self check-out kiosks feature durable high quality cabinetry.

Customizable

With a choice of raised or flat panels, granite, or laminate tops, these kiosks can be designed to a look that best fits your library. All tops can be custom cut to accommodate a variety of equipment:

- RFID Antennas
- Barcode Scanners
- Payment Systems
- Receipt Printers
- Patron Card Imagers

Multi-Purpose

These kiosks can also serve as staff programming workstations for writing RFID tags or converting barcode items to RFID. Dual touchscreen monitor configuration allows staff to assist with patron transactions.

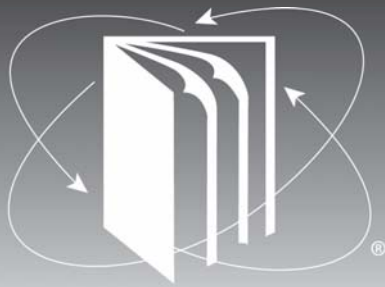

Available With:

- Single or Dual Monitors
- Single or Dual Antennas
- Antenna Below Counter
- Castors
